Prayer request

- Please pray for us to be faithful children of God, who live not for the desires of the eyes and the pride of life, but to serve as the Lord by remembering that our role as steward of the Lord Christ in the place of God's calling.
- Please pray that we can live a life that speaks of Christ, revealing Him fully in our ministry.
- Please pray that we can embrace the heart of Jesus Christ, who regards one life as more precious than the entire world.
- Please pray that we can encourage and support our children's growth with love and encouragement, not with parental greed but with God's love and wisdom through homeschooling in Cambodia.
- Please pray that we can relate to churches, brothers and sisters in Christ who can walk with us through prayer and support, so that we can continue to serve the people the Lord has sent us.
- Please pray that these experiences of learning and fellowship here can become a useful tool for us to humbly serve the people entrusted to us in the ministry.

Blessings,
